Our goal is to empower and partner with individuals and communities to alleviate the hardships of poverty, provide opportunities for thriving and eliminate the root causes of poverty in southeastern Vermont.

SEVCA's Family Services team strives to provide sustainable solutions to those in crisis, as well as ongoing support.

Services are client-centered and strength-based and are delivered with dignity, care and respect.

We listen to client needs to understand their situation and determine if they qualify for assistance. Note that not all applicants/program participants request or receive financial assistance.

SEVCA's Family Services workers consider a variety of factors including (but not limited to):

- Client needs and goals
- Availability of funds
- Eligibility requirements
- Client ability to contribute
- Path to self-sufficiency
